

# Animal Names

Read the animal name in each row. Then write the name of its baby.

**BONUS:** If you know the name for a group of animals, write it in the last column.

| Animal   | Name for Baby | Name for Group |
|----------|---------------|----------------|
| cow      | calf          | herd           |
| deer     |               |                |
| duck     |               |                |
| frog     |               |                |
| horse    |               |                |
| kangaroo |               |                |
| penguin  |               |                |
| shark    |               |                |
| turtle   |               |                |
| whale    |               |                |
